

Programs for Business Executives with Ema Stefanova M.A. TESOL

www.English-ESL.com SPECIAL PROGRAMS FOR BUSINESS EXECUTIVES

www.English-ESL.com arranges special programs for groups of business executives or for individual executives who would like to improve and bring their English language skills to a near native level. Each program is designed to meet the specific needs of each business person and/or group.

At www.English-ESL.com we design and implement quality programs for any duration of time and for any number of hours per week. In addition, the business person may attend a tutorial program that meets one to three hours per day. Another option is for the www.English-ESL.com to develop a program that is completely individualized. An example of a popular program for an individual business person is the following:
